TUBERCULOSIS EXAMINATION

Upon initial employment and as a condition of employment, and every four years thereafter, you are required to file documentation with the Human Resources (HR) Office indicating that you are free from active tuberculosis. This documentation must be signed by a licensed California physician. You MUST submit this documentation prior to issuance of your FIRST paycheck. If you have verification indicating that you are free from active tuberculosis dated within the past four years, you may submit a copy to the HR Office.

Employees that need a TB examination must pick-up a District card, "Report of Tuberculosis Examination," available in the HR Office (room 1670). The tuberculosis test may be performed at any San Diego Health Department or at any medical facility of your choice at your own expense. Tests are also administered free of charge at SWC by Health Services Medical Personnel in the Student Center (room 601F).

SWC Health Services hours of operation are as follows and are subject to change at any time:

Fall & Spring hours are: Monday & Tuesday from 8:00 a.m.- 6:30 p.m., Wednesday & Friday from 8:00 a.m.-1:00 p.m. TB skin tests will be administered on Mondays, Tuesdays, Wednesdays (not after 3 p.m.), and Fridays. No TB skin tests will be administered on Thursdays.

Summer hours of operation are Monday-Thursday from 8:00 a.m. - 6:30 p.m.

For current hours, contact Health Services at (619) 482-6354. The test must be read by the medical personnel in 2-3 days.

SWC does not pay or will not reimburse the charge for any tests or chest x-rays given outside of SWC. Should a chest x-ray be required as a result of a positive TB skin test, no further tests will be required by SWC after the initial clearance by a chest x-ray. However, due to the current rise in TB cases, we suggest you contact your health care provider for regular TB exams.
