

SOUTHWESTERN COMMUNITY COLLEGE DISTRICT

CLASS TITLE: FACILITIES PROJECT COORDINATOR

DISTRICT VALUES

Incumbents in District positions are expected to exhibit an equity-minded focus, responsiveness, and sensitivity to and understanding of the diverse academic, socioeconomic, cultural, gender identity, sexual orientation, and ethnic backgrounds of community college students, and employees, including those with physical or learning disabilities, and successfully foster and support an inclusive educational and employment environment.

SUMMARY DESCRIPTION

Under direction of the Manager of Facilities and Fleet Maintenance, coordinate a variety of skilled maintenance personnel on various maintenance projects; lead, oversee, and participate in the more complex and difficult work of staff responsible for performing skilled carpentry work in the alteration, repair and construction of structures, facilities and equipment; operate a variety of carpentry tools and equipment; and assist in performing other skilled maintenance duties as assigned.

REPRESENTATIVE DUTIES

The following duties are typical for this classification. Incumbents may not perform all of the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

1. Coordinate a variety of skilled maintenance personnel on various maintenance projects.
2. Coordinate work of assigned staff in absence of the Maintenance Supervisor; coordinate the work order process and handle project issues in the absence of the Maintenance Supervisor.
3. Lead, plan, train, and review the work of staff responsible for performing carpentry work, such as installing or replacing cabinets, counter tops, cabinet doors and paneling; repair wood furniture and hang doors and door checks. *E*
4. Train assigned employees in their areas of work including proper carpentry methods, procedures, and techniques. *E*
5. Monitor the use, care, operation, and maintenance of a variety of hand tools, power tools, pneumatic tools, trucks and other equipment related to area of assignment. *E*
6. Verify the work of assigned employees for accuracy, proper work methods, techniques, and compliance with applicable standards and specifications; ensure adherence to safe work practices and procedures.
7. Oversee and participate in performing rough carpentry for new and repair work; repair damage to walls, floors, roofs and other damaged structures. *E*
8. Oversee and participate in replacing broken windows; install glass and windows, interior and exterior walls or other surfaces. *E*
9. Oversee and participate in hanging and repairing doors; install doorknobs; adjust or replace door closure, door stops and other door hardware. *E*
