NowClinic®

Whether it's a late-night fever, a weekend rash or a sore throat during the workday, it can be tough to get convenient and affordable care. Thanks to NowClinic®, that has changed.

NowClinic providers include staff you can access, 24/7/365, via secure webcam, chat, phone or mobile app. A 10-minute visit costs just **[\$\$]**. Simply log on to **myNowClinic.com** or download the NowClinic app from the App StoreSM or Google PlayTM. Register using enrollment code **[XXXXXX]** to get started*.

*Enter your name exactly as it appears on your insurance ID card when enrolling.

NowClinic is not intended to address emergency or life-threatening medical conditions. Please call 911 or go to the emergency room under those circumstances.

NowClinic providers do not replace your primary care physician. Access to online care through NowClinic is offered to all employees and is not part of the employer's health benefit plan. Therefore, the consumer is responsible for paying the fees at the time of service. No controlled substances may be prescribed. NowClinic providers reserve the right to refuse to prescribe drugs that are restricted by state law, or may be harmful or non-therapeutic. NowClinic providers reserve the right to deny care for potential misuse of services or if the medical problem presented is not appropriate for NowClinic care.
