

## SOUTHWESTERN COLLEGE OPERATING ROOM NURSING PROGRAM

The Operating Room Nursing Program is designed to teach RN's to function in the operating room. A class of 10 students is accepted each fall. Qualified applicants are accepted in the order in which they apply. Upon completion of the requirements, the student will receive a certificate of completion from Southwestern College. This certificate program was developed in cooperation with the Hospital Council of San Diego and Imperial Counties and is based on AORN Standards

**MINIMUM QUALIFICATIONS** - All applicants must hold a current **California RN license**.

The student also must have recent RN experience (acute care experience within the past 5 years). It is recommended that prospective students have a hospital sponsor for their clinical rotation (this requirement is effective Fall 2013 cohort). All applicants will be required to attend a mandatory orientation and may have to interview with the program coordinator prior to acceptance to the program.

We do not accept applications unless they contain ALL requested documentation and minimum qualifications. **ALL APPLICATIONS MUST BE SUBMITTED IN PERSON** (No exceptions) at our Nursing office located at 8100 Gigantic Street, San Diego, CA 92154 Room 4401. It is the student's responsibility to notify department of change in address, phone number or email. Admission status will be compromised if department is unable to reach student.

Once admitted to the program, you will be required to complete a background check and drug screening. Student *is* responsible for the cost which can range from \$60-\$75. In addition, admitted students must pay \$13 Malpractice Insurance fee to SWC.

### **APPROXIMATE COST**

The estimated cost of the Operating Room Nursing Program is approximately \$950. The expenses include textbooks, enrollment and lab fees. Membership in the AORN (Association of Operating Room Nurses) is required as is attendance of an AORN meeting the fourth Thursday of each month.

### **COURSE OF STUDY**

Since the course work amounts to 13 units and is more than a full academic load, students should not plan to work full-time. Scheduling of classes is currently Monday and Tuesday lectures from 11:00am – 4:00pm on campus. In addition, students must complete 12 clinical hours per week in a hospital OR setting (Wednesday – Friday) for a total of 216 hours.

### **CURRICULUM**

#### **ORN 209 Basic Perioperative Nursing** 9 units

The Operating Room Nursing course is for the Registered Nurse seeking employment in the operating room. The course is based on the guidelines from the Association of Operating Room Nurses and includes: aseptic technique, staff and patient safety, surgical management, consent, surgical high risk factors, sentinel events, and professional issues.
