Central Services at the Chula Vista Campus provides a variety of duplicating services to faculty. They require 3-4 working days to fill your request. The Duplicating/Printing Request Forms may be accessed at the College Website and may be submitted electronically to www.swccd.edu/oss. You may also submit these forms in the Faculty Workroom located in the HEC SY. The station near the Faculty Mailboxes has blank forms, inter-office envelopes and a drop box for your requests. Mail Services picks up daily. Note: If you would like your duplicating request to be delivered to the HEC SY, please make sure that you mark with an (X) the HEC SY box. When it arrives, we will place it in your mailbox. For further information, you may contact the staff at OSS by calling them directly at 619-421-6700, Ext. 5210.

8. Copies – Faculty Self-Service Copier

There is a heavy duty photo copier located in the Faculty Workroom. Due to budget constraints, and to keep the copier in the best condition possible, each instructor is issued a Copy Code, with a copy limit of 1,500 copies per class for each semester/session. Note that the copier also scans documents. Your Copy Code is the first five digits of your Southwestern College I.D. number. Note: The copiers located in the HEC SY offices are not available for student or faculty use.

9. Duplicating/Student Self-Service Copier

A student copier is available in the Student Center #5109, (1st floor) – students may make copies for 10¢ per copy (black & white), 8 ½” by 11” (letter size) only.

10. Emergencies

Emergency Phone in Classrooms – Every classroom has a black telephone affixed to the wall. Note: This is NOT a regular phone. As soon as the receiver is raised it will immediately call our Southwestern College Campus Police in Chula Vista.

If there is a life-threatening emergency in your classroom, please use this phone and inform Campus Police of the emergency. They will immediately call 911 as needed. Please ensure that someone also notifies our HEC SY Administration Office #5101 as soon as possible of the emergency.

➤ Emergency Evacuation

Affixed to the wall and adjacent to the door of every classroom and office in the building are two documents:

- a.) Evacuation Plan – If the fire alarm sounds or the order is given to evacuate the building, this Plan shows the nearest escape route for the office/classroom that you are located in. It also indicates the location of all fire extinguishers.
- b.) Emergency Evacuation Assembly Area – In case of evacuation, you will need to lead your class to the back of the Student Parking lot across the street (exit the building, cross the street at the crosswalk and proceed to your right until you reach the Student Parking Lot). Stay with your class and take roll so we can account for all students.

➤ AED (Automated External Defibrillator) – This is located in front of Student Services, mounted in a special case. In the event of an emergency where CPR needs to be administered, please access it!

➤ Medical Situations – In the event of a life-threatening emergency, call Campus Police or 911 directly. In addition, please inform the HEC SY Administration as soon as possible. If the Health Services Nurse is on duty, we will involve her immediately. For basic first aid needs, a First Aid kit is located in Student Services, in the Administration Office, and on the 2nd floor in the Computer Technician's Office.

11. Faculty/Staff Lounge

The Faculty/Staff Lounge is located in the first floor of the Center (#5107). The lounge is equipped with a microwave oven, toaster oven, refrigerator, dining table, and sink. If you need SCANTRON Test Scoring Forms, these are available in the Administration Office. A telephone is available for campus calls and for external local calls (dial 9 to obtain an outside line). Long distance calling service is not available.

The computer stations and/or any other equipment in the Faculty Workroom may be used on a first-come-first-served basis. For questions or concerns with the computer equipment, please consult with the Computer Lab Technician at Ext. 4911.

Limited storage space is available to faculty on a first-come, first-served basis in the cabinets above the long counter and in the drawers beneath the computer stations. These storage spaces are not lockable so leaving items is at your own risk. To occupy a space, please write your full name on a blank name card affixed to the outside of the cabinet or drawer. If you vacate the space, please remove your name card so that others are aware that the space is free.
