2012 - N = 30

2013 - N = 24

2014 - N = 30

2015 - N = 29

D-values are used - so the National Avg is designated as zero . Subject area scores are displayed above or below national score. Subject scores are class scores not individual student scores.

2012 Class score .53 above National Avg

2014 Class score 1.44 above National Avg

2013 Class score 2.12 above National Avg

2015 Class score 2.10 above National Avg
