

**SHOWER FACILITIES FOR HOMELESS STUDENTS**

**Reference:** *Education Code Section 76011*

The College District maintains shower facilities for student use on campus that may be used by any homeless student who is actively enrolled, has paid enrollment fees, and is in good standing with the College District.

A homeless student is defined as a student who does not have a fixed, regular, and adequate residence. This includes, but is not limited to, students who: are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to lack of alternative accommodations; are living in emergency or transitional shelters; have a primary residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings; or are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

Shower facilities are located in the Southwestern College Field House, Building 1700, Room H 103 (women) and H107 (men) on the Chula Vista campus. Shower facilities are open to use by homeless students from Monday through Friday from 9 am to 4 pm during fall and spring semesters. During intersession and summer sessions, shower facilities are open during the hours of operation of the Field House facility. During intercollegiate athletic programs, shower facilities in the Field House will remain available for use by homeless students during the hours previously cited.
