

LIVE AUCTION

Be a Thoroughbred Racehorse Owner for a Day at Del Mar

The lucky winner and seven friends will experience what it's like to be on the Kentucky Derby trail with Pender Racing Stables led by acclaimed thoroughbred racehorse trainer Mike Pender.

You and your party will come out to the Pender Racing barn and **meet the horses** and **interact with them** as Mike explains **what it takes to train an elite thoroughbred racehorse**. After visiting at the stables, we will **accommodate you at the prestigious Del Mar Racetrack with its beautiful, classy decor for discussion on understanding horse racing and also handicapping the winners for that day!**

If Mike Pender has a racehorse going that day, he will have you and your party join him in the paddock for the pre-race preparations including meeting and greeting the jockey who will be riding his racehorse. **And if the racehorse wins**, you will be joining the team in the winner's circle for pictures which everyone in your party will receive after, so let's hope for a win that day!

So come on out and join Pender Racing Stables for a great day of fun, education, and if we win, celebration!!!

Mike Pender is a multiple graded stakes winning trainer who's been covered by ESPN and NBC Sports. His top horses, Jeranimo and Ultimate Eagle (both purchased for 70K), have raced in the \$2 million Breeder's Cup Turf Mile, won the Grade 1 Hollywood Derby and Eddie Read Stakes at Del Mar, and has made over \$1 million in earnings. You will also meet young phenom filly How Unusual (almost 200K earnings in just over a year), 2017 Breeder's Cup hopeful Rafter 1, and newly acquired 2018 Kentucky Derby hopefuls Lombo and He Reins!
