TO BE COMPLETED BY THE STUDENT:

Disclosure and Release of Health History and Immunization Requirements

Student's Name: _____ Birth date: _____
Last First Middle Month/Day/Year

Address: _____
Street City, State Zip Code

Telephone: (____) _____ *SWC e-mail address (primary): _____

* **all program communications will be via SWC e-mail**

Secondary e-mail address: _____

DISCLOSURE AND CERTIFICATION STATEMENTS

I hereby grant permission for the release and/or disclosure of health history and health screening medical information between and among authorized college, clinical facilities, and hospital personnel.

CONSENT FOR RELEASE OF HEALTH REPORT, RECORDS AND/OR MEDICAL INFORMATION

I realize the various health agencies where Health Profession students gain experience may wish for students to be certified in good health. I hereby consent to the communication of my health record from Southwestern College to participating agencies as requested.

Furthermore, I acknowledge it is my responsibility to keep current at all times and provide the following to SWC Nursing & Health Occupation Programs Office: a copy of my immunization records, annual physical exam dated within one year, proof of TB clearance dated within one year (unless positive; chest X-Ray report is good for five years), titers (if applicable), seasonal flu shot, CPR certification and/or other medical requirements. Note: the only CPR card accepted is AHA Healthcare Provider or Basic Life Support [BLS] Provider.

Once admitted into the Nursing or Health Occupation Program, I will be required to submit a copy of all current records to the Nursing Office. Students in the ADN, LVN to ADN Step Up, IDC Step Up, VN or Surgical Tech Program must upload records to the Complio online immunization tracking system. The online immunization tracking system does not apply to CNA, Acute Care CNA, Central Service Technology or Operating Room Nurse Programs.

NURSING AND HEALTH OCCUPATIONAL PROGRAMS

Supplemental Medical Guidelines

TO BE COMPLETED BY PHYSICIAN, PHYSICIAN ASSISTANT OR NURSE PRACTITIONER:

Nursing students must be able to do total patient care in all nursing areas without physical, emotional, cognitive or psychological limitations. Female students must be able to provide care to male patients and male students must be able to provide care to female patients. Written documentation of complete recovery from any previous injury and/or illness must be provided. Following is a brief description of some of the types of activities that students will perform while working with patients in the hospital. Students are expected to meet all of these parameters.

Note: Any issues regarding disabilities (temporary or permanent) will be reviewed per ADA Act 1990 and reasonable accommodations will be considered per regulation.

1. Moderate to heavy lifting and carrying (20-40 pounds).
 2. Pushing, pulling, bending, and kneeling around patients using various types of hospital equipment such as wheelchairs, gurneys, lifting devices and specialized beds; work in small confined spaces, move around rapidly.
 3. Fine motor dexterity using both hands while preparing medications and manipulating a variety of instruments and assessment devices.
 4. Rapid mental processing and simultaneous motor coordination; necessary to manipulate syringes, start IV's; assist with patient ADL's; write/type; perform procedures.
 5. Extensive periods of walking and standing (4 or more hours at one time).
 6. Visual discrimination including depth perception and color vision; vision sufficient to make physical assessments of patients and equipment; perform procedures.
 7. Ability to hear the spoken word in settings where other sounds are present. Able to hear clearly on the telephone, hear through a stethoscope (sound enhanced OK), to hear cries for help, to hear alarms on equipment and emergency signals and various overhead pages.
 8. Working with hands in water (frequent hand washing is required); ability to palpate superficially and deeply; discriminate tactile sensations.
 9. Working with various materials and substances to which some individuals may be allergic (such as latex).
 10. Ability to speak clearly in order to communicate with patients, families, staff, physicians; need to be understood on the telephone.
 11. Have sufficient emotional stability to perform under stress (both academically and in clinical setting).
 12. Ability to communicate effectively in English both verbally and in the written format for the classroom setting and the clinical setting.
- Note: Casts, splints, braces are not allowed in the clinical setting.*

Mark the appropriate box below:

☐ After reviewing the "Supplemental Medical Guidelines" listed above and based on findings from the patient's history and physical exam, I certify that the above student is physically and mentally capable of fully participating in Southwestern College Nursing and Health Occupational Programs.

☐ The following health problem(s) should be further evaluated **PRIOR** to participation in a clinical assignment:

Examiner's Signature & Title

Physical Exam Date

License # (required)

Business Card or facility stamp must
accompany this form.

The statement below is to be reviewed and signed by the student:

I understand these physical and other requirements for the Nursing Program as specified above. I will inform my healthcare provider, faculty, and the Program Director of any/ all disability issues immediately as they occur, and upon acceptance into the program. *If applicable*, I will make an appointment with Disability Services with any concerns or disability issues.
