Title 5 Sections 54000 et seq.*

Students shall be classified at the time of each application for admission or registration as a resident or nonresident student.

A resident is any person who is a citizen, permanent resident, applicant for permanent residency, or a person who is on visa status which does not preclude him/her from establishing residency, who has been physically present in California, and has manifested intent to establish residency for at least one year on the date of residence determination.

The residence determination date shall be the day immediately preceding the first day of a semester or summer session for which the student applies to attend.

Residence classification shall be made for each student at the time applications for admission are accepted or registration occurs and whenever a student has not been in attendance for more than one semester. A student previously classified as a nonresident may be reclassified as of any residence determination date.

The Superintendent/President shall enact procedures to assure that residence determinations are made in accordance with Education Code and Title 5 regulations.
