

SOLICITATION, ADVERTISING, AND SALES

*References: Education Code Section 99030;
Title 5 Section 54400;
Civil Code Section 1747.02(m)*

Outside vendors must receive prior approval and pay appropriate fees in order to market, promote, sell, or otherwise offer their goods or services for sale to students and/or the campus community.

The Superintendent/President will provide written administrative procedures in order to approve enterprise on District premises, particularly enterprises of an educational nature.

Student Credit Card Solicitation

The Superintendent/President shall establish procedures that regulate the solicitation of student credit cards on campus.
