1. DISTRICT OVERVIEW

The Southwestern Community College District (SCCD), located South of San Diego and extending to the U.S. – Mexico border, is one of seventy two community college districts in the California Community College system. It serves as the primary source of higher education for approximately 400,000 residents of the South San Diego County area including the communities of Bonita, Chula Vista, Imperial Beach, National City, Nestor, Otay Mesa, Palm City, San Ysidro, Sunnyside, and Coronado.

The college began offering classes to 1,675 students in 1961, with temporary quarters at Chula Vista High School. Groundbreaking for the present 156-acre campus was in 1963. By September of 1964, initial construction was complete and classes were held for the first time on the present Otay Lakes Road site in Chula Vista. In addition to its main campus in Chula Vista, Southwestern College has established four (4) center sites, the Southwestern College Education Center at San Ysidro (1988), the Higher Education Center in National City (1998), the Higher Education Center in Otay Mesa (2007), and Crown Cove Aquatic Center. The college also provides off-campus classes at several extension centers throughout the district. Current enrollment is nearly 23,000 students and more than 600,000 students have attended Southwestern College since it opened its doors fifty (50) years ago. The District employs approximately 800 employees (full and part time).

The District successfully passed its \$389 million Proposition R in November 2008, of which \$168 million of Build America Bonds (BAB) and General Obligation Bonds (GOB) have been received to date.
