SOCIAL SVC

27940	Costa Mesa	92626-	Behavior Technician	\$17hr	Off-Campus
--------------	-------------------	---------------	----------------------------	---------------	-------------------

Company Name: Center for Behavioral Sciences, Inc.

Job Summary: Your caseload will be restricted to either north county or south county SD, depending on your residence. Conduct one to one ABA therapy sessions with children with Autism/other developmental disabilities. Collect data on each child's progress on a daily basis. Teach necessary skills for independence such as communication skills, social skills, and self-care skills. Work to reduce behavior problems and increase necessary replacement behaviors. Sessions are conducted within the client's homes and so reliable transportation is required. Due to privacy regulations, ride-share options such as Uber or Lyft are not allowed. Required Skills: Applicants must meet the following requirements: Graduated with at least a Bachelors degree or have two years of experience working with individuals with special needs, have an availability of 10-30 hours per week from 12pm-8:30pm, reliable means of transportation with proof of auto insurance, and no past criminal history. Able to walk, stand, sit, kneel, stoop, crawl, twist, reach above head, pull, bend, and carry up to 50 pounds. Much of the work involves play with children that can occur on the floor, or settings where the furniture is child-size. Should be energetic, outgoing, patient, and be comfortable with multitasking. As a behavior technician, you will work one on one with children with Autism or other developmental disabilities. Sessions are typically 1-4 hours long and are conducted in the home of the clients. Each client has an individualized program that is created by a BCBA supervisor based on their strengths and deficits. How to apply: email your resume or call for an appointment.
