26309	<b>GRAPHIC DESIGNER</b> Company Name: The Line Printing	CHULA VISTA 91910-	\$12-18hr	<input type="checkbox"/>
-------	--	-----------------------	-----------	--------------------------

Total Hours Per Week: 20 - 40 hrs. A GRAPHIC art designer often, designs art and notes who will dabble in designing posters, t-shirts and other items for each project. The extent of a designer's input into the finished artwork and notes can vary greatly from job to job, depending on what the project entails. Typical Responsibilities: The designer determines the extent of the work that needs to be done on each individual project. Sometimes, customer will have a very specific idea of what they want on their project - they may have a photo or design in mind and they may have predetermined everything from font to color. In this case, the designer is in charge of laying out and vision and putting it into the proper format to be delivered for print. In other cases, the designer may be asked to come up with a design from scratch and then will work with the customers to settle on a final draft. This is the only Union Hispanic Printer in the US. This shop works on Union, elections and public items. Required Skills: Some classes in printing and graphic design Have some samples of work. Available to work as needed for large projects Some times there will be long hours. Can work around a school work schedule? Additional Information: The need is IMMEDIATE! To apply: apply in person and/or email your resume today!
