HOW TO ENROLL

Student Selection

The Paris, France, summer abroad program is open to anyone 18 years or older by the date of departure and who has completed 12 college-level units with a GPA of 2.0 or higher by the end of Spring 2014. Preference is given to students who are attending a SDICCCA consortium member college. Program space is limited. Priority selection criteria include, but are not limited to:

1. Current student enrollment at a SDICCCA consortium member college.
2. Date of completed application forms.
3. Eligibility criteria met at time of departure.
4. Meeting payment deadlines.

Procedures for Enrollment

The Southwestern Community College District is the host college for this Study Abroad Program. Students are required to apply for admission, enroll in classes and pay registration and tuition fees at Southwestern College for Summer 2014.

1. Complete Application Form and Student Release Form.
2. Complete the top part of the Student Conduct Release Form, and submit it to your Dean of Student Affairs or your International Education Coordinator.
3. The Dean will complete the bottom part of the Student Conduct Release Form and send it to your campus Study Abroad/ International Education Coordinator, or directly to Dr. Kirkwood at Southwestern College.
4. Attach a \$450 deposit check (made payable to AIFS) to the Application Form, and submit it to the Study Abroad/ International Education Coordinator at your campus for his/her signature.

Medical Insurance

AIFS provides each student with a group insurance policy issued by the Ace American Insurance Company. The policy provides two distinct types of coverage:

1. Before the program begins, AIFS will refund fees paid by students unable to participate on the program because of covered injury or illness or quarantine in a travel area. However, a fee is retained from the amount paid which includes a \$100 processing fee, the \$50 non-refundable application fee and a \$210 insurance premium.
2. Once the program has begun, the plan covers the cost of medical treatment abroad, up to a maximum of \$100,000 per sickness or accident and with a daily hospital charge limit of \$300. There is a \$50 deductible per incident for medical claims against this policy.

These two categories of insurance are mutually exclusive. That is, the policy does not cover medical expenses before the program begins, nor does it refund any portion of the AIFS program fees once the program has begun.

The insurance also covers costs associated with changing the return flight if a student is unable to complete the program due to accident, illness or quarantine in a travel area. It offers 24-hour travel assistance in case of an emergency, legal assistance, medical transportation and emergency cash transfer in case of theft or loss. Full details of the coverage are available on the AIFS portal and website.

Optional medical insurance upgrade and personal effects insurance

A *medical insurance upgrade* provides a maximum \$250,000 per sickness or accident with a daily hospital charge of \$300 (\$50 deductible for each accident or illness). Optional *personal effects insurance* covers loss or theft up to \$1,000, subject to a maximum \$100 per item (\$500 for electronic devices) and a deductible of \$100 per incident. Students are advised to arrange additional insurance for special items. Expensive or irreplaceable items should be left at home.

AIFS Refund Policy

All notification of withdrawal must be made in writing via fax or certified mail to: Registrar, Partnership Programs, AIFS College Division, 1 High Ridge Park, Stamford, CT 06905. The fax number is 203.399.5597. Postmark date or date of fax transmission is considered date of withdrawal.

All withdrawal statements must be signed by the applicant, or they will not be processed.

If a student's application is not accepted by AIFS, a refund of all payments is made, less the \$50 non-refundable application fee and any non-refundable deposits paid by the student or by AIFS on the student's behalf. If a student withdraws on or before Thursday, April 3, 2014, a full refund will be made less \$150, including the \$50 non-refundable application fee, plus any non-refundable deposits paid either by the student or by AIFS on the student's behalf.

If a student withdraws after Thursday, April 3,

2014, but on or before Friday, May 2, 2014, for any reason except medical covered by the AIFS Fees Refund and Medical Insurance Policy, the \$450 deposit fee is forfeited, along with any non-refundable deposits paid either by the student or by AIFS on the student's behalf.

If a student is forced to withdraw from the program because of covered medical reasons after final fees have been paid but before departure, a refund will be made through the Fees Refund and Medical Insurance Policy, less a \$100 processing fee, the \$50 non-refundable application fee and the \$125 insurance premium. The policy requires written proof of medical reasons provided by your physician.

Students withdrawing voluntarily for any reason after Friday, May 2, 2014, including withdrawals because of medical reasons not covered under the medical refund policy, receive no refund of fees paid unless they are able to provide a qualified replacement. In this case, they receive a full refund of all payments made less the \$150 processing and cancellation fee and any non-refundable deposits. Replacement students must pay in full at the time of application. Flights cannot be arranged for replacement students applying after Thursday, April 3, 2014. Once the program has started, students withdrawing receive no refund under any circumstances. This refund policy is necessary because the booking of facilities in Paris requires substantial non-refundable payments and commitments by AIFS in advance.

DEADLINE TO APPLY TO BE INCLUDED IN THE GROUP FLIGHT IS MONDAY, MARCH 31, 2014.
